Enjoy it while you can. But until I'm here, I don't have to talk to her, so this is a relief. I like being alone. 0 0 You are a sad human being. Bad Ending No. Complice that ends ** "Well... It is so annoying." Take care of you. +3 +3 But don't you just get? 0 0 Rank 7 Rank 7 is a history event that starts after completing paradise. 0 0 "And you? One of the new S-Links in person 4 Golden is the social link Tohru Adachi, the possibility of knowing the Dojima police colleague a little better. Social link Adachi is unique in this uses Of some of the things added to P4G, as more night scenes. After the classification of social link to rank 6, progressing automatically with the history of the game, although certain ranks can be achieved depend on the protagonist's decision later in the game. Availability A Difference of other social connections, Adachi has a specific program based on months and days when it is available. Continue to scroll through more scythe I think it's so for a high deparore. We must be efficient here. What about you ? 0 0 thing An elderly miserably person. Choices that have an impact on your relationship This rank: Advertising. +2 +1 You should not lie. 0 0 "And you will talk your ear if you leave it ... 0 0 Social Arcane link modified by Jester to Hunger ... 0 0 Rank 8 Rank 8 is an ORY St Event on December 3rd. Response points (W) Points (w / o) This is probably the last day you can see Adachi ... 0 0 "I like being alone. The original 4-hour character has a significant number of social connections that you could get on the whole course of the game, and 4 Golden person adds two new to a Out of his characters and history still beyond. Complice that ends * I was just joking. 0 0 You can't shoot myself. 0 0 I believed in you. Enjoy it while you can. "Are you slowing back again? Easy, and let me do everything I want." It is true. Go to see it by yourself the social connection continues * Don't go alone Social Link Stops * "Couldn't you even bring your Wannabe's investigative friend?" I came alone. Its program is quite irregular than the rest of the social connections, so you would like to check in Junies whenever you can. Go to see Adachi Complice Ending * Go home without seeing Adachi Bad Ending * "Well, however, what is with the sudden visit? You were a great help". Why don't you really come? The social link of the jester is one of these and is linked to the Detective Tohru Adachi. Do you have nothing you want you to put a flower? "No, nothing. What does it mean that we will only be there? Other Dojima Residence (June 8) Response points (W) Points (w / o) Trains don't run often, and walking everywhere is quite uncomfortable. "Yes, it's a problem. In this regard. +2 +1 is not so bad. It's not so strange?" I'm a good cook. +2 +1 "When I was at high school, I never got cooking a single thought." What did you do instead? 0 0 "But it works when you're a student." Are you having a hard job? You were a great help. A »Af why don't you really come? The deadline for the first six ranks is November 1st, and if the social link is not the rank 6 before, it will be blocked for the rest of the game. 0 0 is not so bad. Otherwise, the "neutral" fine sequence (the same negative measure that happens when the protagonist makes undecided or ambiguous decisions during hospital interrogation on December 3) is activated and the social link will not reach the maximum rank. 0 0 Social, and the choice of the chosen voice, December 5 on December 5, after the protagonist identifies the culprit like Adachi, the progression of social link (as well as the main story of the game) depends on the fact that the protagonist chooses to tell his Adachi friends be culprit. Are you going to continue playing detective? "..... 0 0 you can't eat? Response points (W) points (w / o) " Oh, uh, I'm sorry for you used so. Bad Ending No. Complice that ends ** "So ... There isn't much more to do aside to make sure you have hit level 6 by November 0 0 I need to talk to you. It also has a very unique program can Make the maximum of this social link difficult - and at the top of everything, there is also a severe cut-off you need to hit to see this S-Link at the end. We list all the point bonuses for Adachi here - but for This S-Link, the bigger thing is to understand how, when and where to find it to go out. The S-Link Adachi has some different branches, some of which are connected to the different person 4 Golden Finals as the normal finals, Real and bad. You guys love that stuff. "Reconsiderate? +3 +2 Nanako will be happy. She certainly puts a shock absorber on her choices of her. "What do you mean? In fact, once you reach level 6, you will no longer be able to go out with Adachi, and you could ask you how to continue. 0 0 Friendship, effort, victory ... 0 0 Rank 4 Rank 4 is accessible only at night. After some Chatter Inane who does not have an impact on your S-Link, rank up to 1. Release up to 1.
